

REMARKS

This amendment, as required by 37 C.F.R. § 1.78(a)(2)(i), is to add a related case paragraph reciting our claim to priority of international application PCT/EP03/05719 filed on May 27, 2003, to the specification. This amendment is a correction of formal matters that are needed for proper protection of the invention and require no substantial amount of additional work on the part of the PTO. The issue fee has not yet been paid and is due by July 21, 2008.

This application was filed after November 29, 2000. A Petition to Accept an Unintentionally Delayed Claim of Priority with fee is not being filed because the priority claim is properly shown in the filing receipt, published application, and the declaration. However, if any fees are required by the filing of this amendment, Applicant hereby authorizes the Commissioner to charge deposit account 10-0750 for any such amount.

Applicant respectfully requests that this Amendment be entered in this case.

Respectfully submitted,

By: /Andrea L. Colby/
